STA 101  
2003 - Summer Session II

**Reading Assignment 1**  
**Due: July 1, 2003**

Read the Gallup Polls from June 26, 2003 and June 27, 2003 and answer the following questions for each article.

1. What was the population and sample?

2. What was the purpose or point of the poll? What are we interested in knowing about the population?

3. What are the parameters? Give a couple of statistics for each of the parameters listed.

4. What sort of survey was conducted? Was the survey methodology used prone to the biases studied in class?
